

KAΘ DAY of SERVICE
October 19

Kappa Alpha Theta celebrates Linked Heart to Heart Day of Service on October 19. In honor of Bettie Locke Hamilton's birthday, Thetas across the globe make an impact and spread the widest influence for good on this day.

The San Antonio Alumni chapter of Kappa Alpha Theta, combined our "Theta's Are Cookin" Private Central Market Cooking event with a new day of service in October 2010. This year we reached out to Child Advocates San Antonio and let them know we were interested in their ideas for a service day. Child Advocates San Antonio (CASA) volunteers purchase lunch, birthday gifts, and basic items for the abused children, using their own money. Our local alumni chapter joined together and we purchased gift cards from all over the city to suggested places. We donated over 30 gift cards from HEB Grocery Co, Target, Wal-Mart, Walgreens, McDonalds, Sonic, Whataburger, etc. Child Advocates San Antonio has a formal process to allocate these cards to volunteers. We are proud to know our service day will directly benefit abused children in San Antonio. Submitted by Michelle E. Parchman, President.
